## Monthly Market Monitor

July 2008

### *Is your portfolio fit for the future?*

In today's ever changing market it is important for you to review your portfolio regularly. If you haven't had your portfolio reviewed lately, I would like to offer my free advisory services. If you don't have a retirement plan, or an investment portfolio my advisory services may also be helpful in getting you started.

I've been helping clients plan for their retirement and future for more than 12 years, specializing in investments, insurance and advisory services tailored to my clients' needs.

Experience the convenience of conducting all your financial business in one location - at your local BAC or ECC Bank branch. You can enjoy the competitive advantages of working with a premier investment and insurance services firm while remaining in the comfort of a place you trust - your local bank. Contact me at (209) 444-3354, or stop by the nearest ECC Bank or BAC branch for more information.
